

## The British Computer Society GLASGOW BRANCH

# Student Night 2005

- Tuesday 25<sup>th</sup> October 2005 from 6 – 8pm
- Vertigo, Level 8, Strathclyde University Students' Association, 90 John Street

This year there will be a talk by Sarah Ewen of the Sony Computer Entertainment Europe Technology Group – “The Evolution of the PlayStation”. **This promises to be an excellent talk on various aspects of games technology.**

Get information on student membership of the BCS and Glasgow Branch activities – members of the Glasgow Branch will be present to tell you more.

Win! There will be several PlayStation2 game titles and USB Memory Sticks to be won on the night (prizes generously provided by Sony Computer Entertainment Europe and the BCS).

This free event starts with a buffet at 6pm, and all IT and Computing students are welcome. *Don't miss this once a year event!*
